2021 Watertown Home Show Information

October 15th, 2020

Dear Potential Exhibitor,

Enclosed you will find sponsorship opportunities and an exhibitor registration form for the Watertown Area Home Builders Association's 2021 Home Show to be held Sat March 6th & Sun March 7th at the Codington County Extension Complex in Watertown, SD.

Over the years, the Watertown Home Show has become recognized as one of the largest home-related events in the area. Each year, thousands of people attend this premier show providing exhibitors with the perfect opportunity to expand business through product display and demonstrations, new ideas and techniques, and by making personal contacts with potential customers.

Because show sponsorships and exhibitor spaces are limited, they're available on a first come, first serve basis. Please note our Home & Craft area which was new last year and was quite successful. So don't delay, please return your Sponsorship Request, Exhibitor Registration form, and payment as soon as possible in order to secure your choices.

As you will see in the enclosed material, becoming a WAHBA member provides you discounted booth pricing and sponsorship opportunities. There are many other benefits of membership so we do encourage you to consider becoming a WAHBA member.

Thank you for your consideration of participating in the 2021 Watertown Home Show! It will be our 34th annual event. If you need assistance or have any questions about membership or the Home Show, please contact our Executive Officer, Julie Kneeland, at wahba.sd@gmail.com or 605-878-3033 or 605-520-0661.

Sincerely,

Kurt Hanson

President
Watertown Area Home Builders Association

Eric Beutler

Chairperson
2021 Home Show Committee
